

Safety Made Simple

HOME FIRE SAFETY TIPS

Every three hours, someone in America dies in a house fire. The good news is, in most cases, families can help to protect themselves from a home fire by developing a complete fire safety plan.

It only takes a few minutes to install or test a smoke alarm, develop and practice an escape plan, or learn to use a fire extinguisher. Learn what you can do today to protect your family and home, tomorrow.

How to use a fire extinguisher

Using a fire extinguisher is easy. Just remember the **PASS** system.

Pull the pin. Hold unit upright.

Aim at the base of the fire.

Squeeze the handle.

Sweep from side to side.
