

TO THE EMT

WHO HAVE DECIDED TO DEDICATE THEIR EXTRA TIME, THEIR EXTRA LOVE, MANY TIMES THE PATIENCE OF THEIR OWN FAMILY, THEIR STOMACH, AND SOMETIMES THEIR OWN LIFE, TO HELPING OTHER PEOPLE THROUGH IN THEIR TIME OF TROUBLE, ALWAYS ON STANDBY FOR THE CALL.

MOST OF THE COMMUNITY RUNS ON A PRE-ARRANGED SCHEDULE, BUT NOT THE EMT. THEY ARE OFTEN THOUGHT OF TO BE OF QUESTIONABLE SANITY BECAUSE OF THE ODD HOURS OF THEIR WORK WHICH VARIES EVERY DAY.

AN EMT RESPECTS AND GUARDS LIFE AND LIVING, ENJOYS LAUGHING AND HAVING FUN, BUT HAS SEEN TOO MANY CHILDREN WHO WILL NEVER LAUGH AGAIN, TOO MANY TEENAGERS WHO TRIED IT THEIR WAY, AND TOO MANY ADULTS WHO HAD SO MUCH FUN IT KILLED THEM IN THE END.

AN EMT IS A PERSON WHO FEELS THE INNER SUN SHINE WHEN THEY "DO THEIR THING" BUT CAN HARDLY LIVE WITH THEMSELVES WHEN A HUMAN LIFE IS LOST AND THEY MUST COMFORT THE SUFFERING FAMILIES. THEY SAY THEY WILL GET OUT OF THIS THANKLESS BUSINESS, BUT THE NEXT TIME THERE IS AN EMERGENCY THEY ARE THERE TO GO OUT AND HELP THEIR FELLOW MAN.

WITHOUT FRIENDS AND TEAM MATES TO TALK TO AFTER A BAD RUN, TO GO OVER THE SITUATION WHICH LOOKS DIFFERENT WITH TIME, THE EMT WOULD BE LOST. THE EMT IS A PERSON IN THE BACKGROUND WHO IS DRIVEN BY SOME OBSESSION THAT, SOMEHOW WHEN DISASTER STRIKES, THEIR PRESENCE, THEIR TRAINING, AND THEIR DECISIONS WILL HELP REDUCE THE PAIN AND SUFFERING FOR SOME UNFORTUNATE HUMAN BEINGS WHO, BUT FOR THEIR QUICK ACTION, WOULD MARCH STRAIGHT INTO DEATH'S ARMS.

THEIR THANKS, IS HELPING OTHERS

THIS IS AN EMT !
